

Bamford Pre-School Playgroup

Bamford Pre-school's sponsorship walk and litter pick

Usually in the Summer term, pre-school enjoys a fun day with a Park Ranger learning about the importance of protecting our local environment, including a local litter pick. Given Covid-19 we can't do this this term but we would still like to share this learning. Coupled with this, pre-school has lost out on vital funds due to the pandemic through cancelled planned fundraising events and lost funding from fees. **As a small local charity this has a significant impact so the need to raise funds is bigger than ever.** We want to ensure pre-school can continue to provide a fun, nurturing setting for our wonderful pre-schoolers and families, now and for future years. To assist with this, **we need your help please!**

To help protect our beautiful surroundings, throughout June our pre-schoolers will be litter picking in and around Bamford, as well as walking one mile. This means as a collective effort, our pre-schoolers will have walked from Bamford to Sheffield and back TWICE! Please support our pre-schoolers in their big challenge!

Thank you very much for your support in making this a really successful fundraiser.
